---

EXPERIENCE

Circle K International (District Technology Committee)   **Cal-Nev-Ha District**

Software Developer   *May 2020 – Present*

- Continued development on data entry software to aid 70+ Circle K collegiate clubs in documenting event and service logistics
- Maintain constant correspondence between team members and project leads via a scrum framework to ensure updates to software are kept on schedule
- Performed QA Testing to locate and later resolve bugs in software, working towards pushing development closer to completion

Warren College Residential Life   **UC San Diego**

Office Assistant   *September 2019 – Present*

- Represented as direct liaison between student-residents, parents, and Residential Life Professional Staff
- Managed and performed administrative and clerical duties in a clear and efficient manner
- Provided resources and information to residents in their campus-wide living-learning residential community

Circle K International (School Specific-Branch)   **UC San Diego**

Fellowship Chair   *April 2019 - March 2020*

- Developed and maintained member retention programs to recruit/retain 100+ club members
- Managed a committee of 12 tasked with developing communities and relationships within the club via mentorship systems
- Organized events with attendance over 70+ to keep club members engaged and active

Impact Team Internal Operations Chair   *December 2018 - March 2019*

- Helped spread awareness and raise money towards Alzheimer's Research
- Took an active role in fundraising over $300 to go towards the Alzheimer's Association, including orchestrating two separate fundraisers with local businesses
- Reached out to organizations both within and outside of UCSD to organize collaborations
